Dear Mr. Booth:

I take great pride in acknowledging the excellent work BESH has completed for the City of Clermont over the past 7 years as a Continuing Services Consultant in Engineering and 17 years in the private sector for site development. Everyone associated with BESH is extremely professional and a pleasure to work with. Your firm has been associated with the City of Clermont throughout our continued growth and you have been a major player in ensuring our projects run smoothly and on schedule.

We have enjoyed working with everyone at BESH and appreciate your continued support. We look forward to many more years of working together.

I am sure everyone at the City of Clermont would highly recommend BESH to any private or government agency that is in need of your services.

Sincerely,

A handwritten signature in blue ink that reads "Stoney Brunson".
