To Whom It May Concern:

The City of Eustis recently contracted with Booth, Ern, Straughan & Hiott, Inc. for building inspection services this year.

BESH met our needs on short notice when others could not. Their staff is fully licensed and conducts themselves in a professional manner. They are familiar with our City and all codes related to inspections.

We will continue to use their services when the need arises.

Sincerely,

Sheila Denoncourt
